A silhouette of a person running through tall grass at sunset. The person is captured in mid-stride, moving from left to right. The background is a bright, hazy sky with the sun low on the horizon, creating a strong backlighting effect. The grass is tall and thin, with some seed heads visible. The overall mood is one of movement and perseverance.

## RESPONDING TO OUR BLESSINGS

This Sunday's readings explore how we see and respond to blessing in our lives. We hear two stories of healing and of thanksgiving, of a powerful military leader Naaman, and of a powerless Samaritan leper. Both are examples of humility and gratitude that mark the presence of faith in God. We observe that both Naaman and the leper had their horizons expanded by their healing. Once healed, they did not simply attribute this to a stroke of luck, and then go on with their lives. Instead, they began to see God on the move, reaching out to everyone, and actively blessing all creation. Jesus notes that the leper's faith saved him, because he was receptive to seeing this fuller reality. Faith changes our perception. Faith allows us to see beyond our usual boundaries, to embrace a loving God, and to participate in sharing that love with others.

### THE OTHER

Saint Luke has a special interest in Samaritans. In Luke and in Acts, Samaritans keep popping up, both in parable and in the narrative. In today's Gospel, Jesus travels among peoples with a long history of hostilities between those loyal to the Temple in Jerusalem, and those (Samaritans) who rejected it. They shared many common beliefs, and honored the God of Abraham and Moses. As in many conflicts, two groups who have much in common tragically have the most intense disagreements.

It was the Samaritan leper who returned to thank Jesus and praise God for his healing. Someone across the social divide became an example of faith in God, just as, earlier in Luke, the Good Samaritan demonstrated love of neighbor. Might you be part of a group that finds reasons to distrust another group? Jesus points toward new possibilities within and between families, ethnicities, and religious groups. If "the other" is in fact admirable, if we can learn from them, then perhaps we can work to be reconciled with them.

### GOD'S WAYS

The passage from 2 Kings concludes the story of Naaman, a foreign military leader who suffers from a skin disease named as leprosy. The full story of Naaman is well worth reading, beginning in 2 Kings 5:1, as it describes the journey of a powerful man desperate for a cure, and who finds it most unexpectedly. He has used up all the options available to the wealthy and well-connected. But his slave girl from Israel points him to Elisha, the little-known Jewish prophet. Other servants rescue Naaman from his pride, and he is led to accept healing.

This story illustrates how God's ways are different from worldly ways. God acts primarily through the lowly and faithful, while power and wealth fail to solve the world's problem. Those on the margins, or those with humility, are often best able to see the opportunities God makes available. When Naaman humbled himself, he discovered God's ways and gave thanks to God

# Twenty-eighth Sunday in Ordinary Time

## October 9, 2022

If we have died with Christ Jesus  
we shall also live with him;  
if we persevere  
we shall also reign with him.  
— 2 Timothy 2:11-12a

### THE GIFT OF SALVATION

Naaman and the leper who returned to Jesus saw God's hand in their healing. Only through God's intervention could they have been cured. Through this recognition of God's presence and action in their lives, they grew in faith. For what are you grateful? Pause for a moment to reflect on all of the blessings in your life. God is the source of these many blessings—life, love, gifts, and so much more. Of all the gifts for which we must be grateful, none is as great, or as astounding, as the gift of salvation offered to us through Jesus Christ. Let this sink in, not only in your mind but in your heart. Like Naaman and the leper who returned, allow yourself to be touched by the immense love of God for you.

**Life Chain 2022** Thank You from United for Life of Merced County & Info on Prop. # 1 Over 100 St. Anthony's parishioners were able to participate in this year's Life Chain! St. Anthony's was joined by at least 12 other churches to form a chain of over 150 praying people. The chain stretched from Applegate Road to Applebee's restaurant, sending prayers up to our Lord to end abortion and to help those caught up in the evil snare of abortion. Many thanks to Father Kado, Father Sabinus, and all who were able to participate in person and prayer. The Life Chain continues to be an important part of educating the community in a peaceful, prayerful manner. Please continue to pray that people will vote "No" on Proposition #1 this upcoming election. We pray that abortion will not be enshrined in the California Constitution, allowing abortions to be performed even at the moment of birth-(both the baby and the mother could be perfectly healthy). Regrettably, our tax dollars would pay for it all—even to lure women from other states to have an all-costs paid abortion in California. Once in the Constitution it would wipe out any existing protections for babies and their mothers, and would make it extremely difficult to provide protections in the future. Please join us in praying that Californians will vote "No" on Proposition #1.

**Cadena de Vida 2022** Gracias de Unidos por la Vida del Condado de Merced e Información sobre la Prop. # 1 ¡Más de 100 feligreses de San Antonio pudieron participar en la Cadena de Vida de este año! A San Antonio se unieron al menos otras 12 iglesias para formar una cadena de más de 150 personas que oraban. La cadena se extendía desde Applegate Road hasta el restaurante Applebee's, enviando oraciones a nuestro Señor para que pusiera fin al aborto y ayudara a aquellos atrapados en la malvada trampa del aborto. Muchas gracias al Padre Kado, al Padre Sabinus ya todos los que pudieron participar personalmente y en oración. La Cadena de Vida sigue siendo una parte importante de la educación de la comunidad de una manera pacífica y en oración. Continúe orando para que la gente vote "No" a la Proposición #1 en estas próximas elecciones. Oramos para que el aborto no sea consagrado en la Constitución de California, permitiendo que se realicen abortos incluso en el momento del nacimiento (tanto el bebé como la madre podrían estar perfectamente sanos). Lamentablemente, nuestros dólares de impuestos pagarían todo, incluso para atraer a mujeres de otros estados a tener un aborto pagado con todos los costos en California. Una vez en la Constitución, eliminaría cualquier protección existente para los bebés y sus madres, y haría extremadamente difícil brindar protecciones en el futuro. Únase a nosotros para orar para que los californianos voten "No" a la Proposición #1.
