# Christmas

DECEMBER 25, 2022

## LIGHT AND LIFE

The four Gospel portraits of Jesus take very different approaches to his origins. Mark has no record of Jesus' ancestry, except for his connection to John the Baptist. Matthew traces his genealogy back to Abraham; Luke even farther back, to Adam. The Gospel of John outdoes them all, tracing Jesus' origins back to the time before time, before the world was created! Jesus is the eternal Word of God. The Greek term for "Word" is *logos*, and it is a word with deep implications. The *logos* exists before creation, because all of creation came to be through the *logos* and, in turn, the *logos* will become the light of all it has created. This is what makes Christmas a season light and life. May our lives radiate this light, reflecting the life-giving Word-made-Flesh. Let our discipleship truly and fully make incarnate once again the Word-in-flesh whom we celebrate and adore: Jesus Christ, our Lord!

## THE SEASON OF LIGHT

It is customary to celebrate Christmas with lights of all sorts. This even happens in the southern hemisphere, where people aren't experiencing the shorter, darker days of northern climates. From little twinkles on Christmas trees to the glow of candles in church, Christmas is a celebration of the light born today in God's Word-made-flesh. As with other types of lights, the Christ-light takes on different forms. Sometimes its light is direct, while at other times it is a reflection. The lights of Christmas, like Jesus the Light of the world, offer comfort, ease fears, show us the way, and help us to see that God is present here. While we believe that Jesus is the light that no darkness can overcome, it can seem at times it seems as though the gloom around us is overcoming the light. We all are familiar with darkness's different forms that seem to bombard us daily, hourly—minute by minute, if we allow them to. And yet . . .

## THIS LITTLE LIGHT OF MINE

The relentless daily reports of darkness can easily lead us not to see the many glimmers of light around us. We who follow the Christ-light must always be on alert for signs of that light around us. Likewise, we who have that Christ-light in us must let it shine forth. No matter how little we think our light may be, we must recall that it is the light of Christ we bear within us. Like John the Baptist in today's Gospel passage, we are meant to testify to the power of light, to help others see glimpses of God-with-us. Our actions must bear good news, they must announce glad tidings. Even small deeds of light can shine brightly, giving birth to Jesus once again each day. On Christmas day and every day we are called to be people of hope, messengers of peace who offer comfort and make God's glory known. Let the light of Christ in your life be one of the season's brightest!

## WHAT ALL THE WAITING HAS BEEN FOR

Today's readings are as familiar to most of us as the carols we sing and the commercials that overwhelm this holiday season. Often Christmas finds us tired, struggling with preparations and expectations. What we really want to feel is joy and peace. The stress of preparation, of waiting, is reflected in both Isaiah and Paul's letter to Titus. Luke tells us of the exhaustion that Mary and Joseph felt: a young pregnant wife and her husband, forced to travel ~~just as she is about to give birth, unable even to find a room to stay in. It must have been~~ miserable. They must have been afraid. In the midst of this exhaustion, misery, and fear, a child is born, a Son is given. The world is then filled with light and hope, joy and peace. In that moment they, and we, know what all the waiting has been for.

**OUR FASCINATING FAITH**  
**Christmas Time**

The feasts that make up Christmas Time all illuminate in their own way the fundamental mystery of the Incarnation that stands at the heart of this sacred season. Each celebration sheds its own distinct light on our conviction that, in the birth of Jesus, earth and heaven have been wedded together for the sake of our salvation. The feasts of the Holy Family, Mary the Mother of God, Epiphany, and the Baptism of the Lord all have their own particular histories. But they have been joined together in a single seasonal flow that invites us to trace the unfolding meanings of the Incarnation from myriad perspectives. As we follow the successive meanings of Jesus' birth, his participation in family life, the meaning of Mary's motherhood, the significance of the Magi's visit, and the beginning of Jesus' public ministry, we are invited to explore in deeper and deeper fashion the staggering truth that Jesus has shared completely in our human experience, has truly become one with us, fully human while remaining fully divine.
